

We have to stay home

Lots of my favorite places are closed right now. They are closed to help everyone stay healthy.

This means I have to stay home.

We do not know how long these places will be closed for. But they will open again.

When I am home, here are some things I can do:

- Watch television
- Play games
- Take walks

Fold page here to follow along

I will spend more time with my family.

Everything will be ok.
