

Fun at the Pool

I love to swim at the pool.

When I get to the pool, I feel very excited.

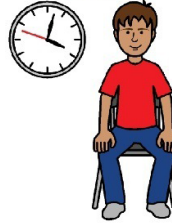

But I have to follow the pool rules to stay safe.

Here are my pool rules:

1. Walk.

2. Wait to get into the water until my parent says I can go in.

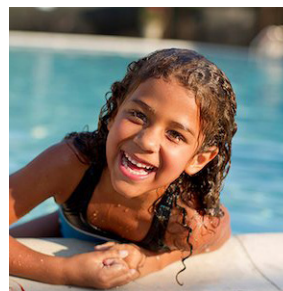

3. If the long whistle blows, we have to get out of the pool and take a break.

4. During the break, I have to stay out of the water.

While I am on break, I can:

Sit on a lounge chair, talk to my friends, have a snack, go to the bathroom, put on more sunscreen

When I follow the pool rules, I can stay and have fun!
