

# Going to the dentist

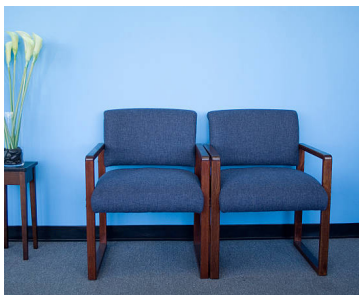

I am going to the dentist.

The dentist is a doctor who  
takes care of my teeth.

My teeth need to stay healthy  
and strong.

When I go to the dentist office,  
I will wait in the waiting area.

When they call my name, I will  
go to the exam room.

I will sit in a dental chair.

I can wear sunglasses if I don't like  
the bright light.

I will open my mouth wide.

They will look in my mouth to make sure my teeth are ok.

They will touch my teeth to make sure my teeth are ok.

They will clean my teeth with special paste.

I will be ok!

When they are all done, I will go home.
