# Graduating from School

I have finished high school!

I am proud of myself.  
My family is proud of me too!

This means that I will not be going  
back to high school.  
I have been in school for a long time.

This will be a big change.  
I will be going to a graduation ceremony.

I will wear a cap with a tassel.

I will also wear  
a gown or a robe.

I will sit with my classmates during the ceremony.

I will wait for my name to be called. Then I will walk up on stage to get my diploma.

A diploma is a piece of paper saying that I am finished with school!

My family will come to the ceremony. So will my classmates' families.

There will be a lot of excited people at graduation.
