

# I Can't Go Home

There was a very big storm.

The storm damaged lots of buildings,  
roads and trees.

There is lots of water on the roads and  
in some buildings.

My family and I had to leave our house.  
We had to leave to stay safe.

We have to sleep somewhere else right now.

I can't go to my school right now.

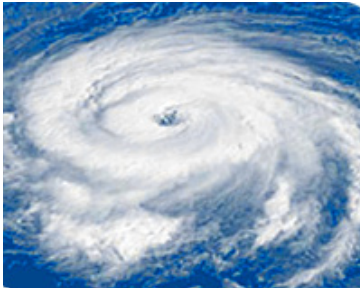

We cannot go home until our home is safe again.  
We cannot go home until the roads to our house  
are safe to drive on.

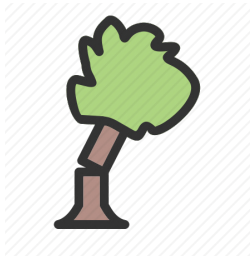

When it is safe, we will go home again.
