

Internet Safety

The internet is a great tool. I can find information, play games and talk to people.

There are rules I need to follow to keep me safe.

I will not give my full name or birthday.

I will not give out my phone number.

I will not give out my address.
This is my personal information.

If someone is asking for this information,
I need to tell mom, dad or my teacher.

Internet Safety, Cont.

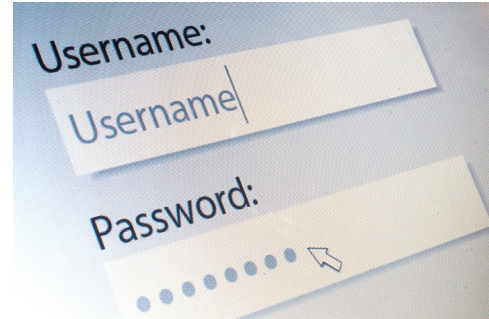

I will not talk to strangers on the internet. I can't see the other person.

They may not be telling the truth about who they are.

If someone I don't know talks to me, I will tell mom, dad or my teacher. I will not share my password with someone online.

Passwords keep me safe.

Mom, dad or my teacher may need to know my password. They may need my password to help me. They should ask me for my password.

I will follow these rules to stay safe on the internet. I will be okay if I follow the rules.
