

Registration for Summer Camp

Register online at <https://camproyall.campbrainregistration.com/>

Admission Criteria:

- Camper must have a diagnosis of Autism Spectrum Disorder
- Camper must be at least four years of age at the time of camp
- Camper must be a current resident of North Carolina
- Camper's behaviors must be manageable within the scope of ASNC policy and procedures and the supervision the camp is able to provide
- Camper must be exempt from any extreme health-care conditions or needs

Application Fee:

A \$30 non-refundable application fee is required for each individual applying to our camp programs each season (spring/summer registration cycle and fall/winter cycle) and must be paid by the deadline for the applicant to be included in the lottery. Parents or guardians applying for more than one child will PAY THE APPLICATION FEE ONLY ONCE. Group homes will pay one application fee per home where residents are applying.

Proof of Residence Requirement:

Camp Royall serves residents of NC only. All new campers must provide proof of NC residency upon application to our program. Campers who have applied to camp in the past must resubmit a current proof of residency every three years. Each applicant's proof of residency will be kept on file in the camp office for three years. Verification of NC residency may be requested at the discretion of the Camp Director at any time.

Submit one of the following to show proof of NC residence: (please read thoroughly)

The proof of NC residency can be sent to us at camp via fax, scan/email, or postal mail. We prefer to receive it via fax or email.

1. **Current utility billing statement** (gas, electric, telephone, or cable) dated for service, in the parent, caregiver or camper's name, at your North Carolina address listed on the application within the previous 30 days. (This should be an actual bill, not a notification email.) **OR,**
2. For individuals living in group homes, send us (on your letterhead) one list naming the residents of your home who are applying to attend camp. Make sure the address of the residence is listed on the letter as well.

Lottery Process for Residential Camp:

ASNC gives equal consideration to all appropriate applicants by using a rotating selection process. Applicants for residential camp and day camp will go through a lottery system. Campers who were slated to attend camp in summer 2020 but had to be cancelled due to the pandemic will receive our 1st priority for summer 2021. After those folks have been placed then campers who have never attended Camp Royall will be given 2nd priority. Campers who did not attend summer residential camp in 2020 will be given 3rd priority. Campers who attended summer residential camp in 2020 will fill any remaining slots available. A random lottery will determine the order in which campers in each priority group are chosen. The lottery takes place in late January, and we will notify you by early February about placement.

Registration Timeline for 2021 Residential and Day Camp

- November 9, 2020: Online registration opens
- January 15, 2021: Deadline for online registration and scholarship application (proof of NC residence and application fee required)
- January 20-22, 2021: Lottery takes place at Camp Royall
- February 3, 2021: Notification of acceptance, week or wait-list assignments, as well as scholarship awards (if applicable) emailed from Camp Royall
- March 19, 2021: Online forms and payment due (or payment plan set up if choosing to spread payments out)
- April 30, 2021: All remaining forms due
- May 15, 2021: Final preparation email sent (packing list, driving directions, etc. to accepted campers)
