

Shared Interests with Friends

I have some favorite things! Some of my favorite things are _____, _____, and _____.

Some people will like the same things.

Some people will like different things. It is okay if people don't like the things I do.

I really like to talk about _____. I feel really happy when I get to talk about my favorite things.

I can find people that like the same things I do. I can ask my friends, do you like _____?

If they say yes, they will want to talk with me about my favorite things! I will try to remember which friends like the same things I do!

If they say no, I can say, “okay.”
I can ask them “what are some of
your favorite things?”

I will listen to what they say and
they will ask me questions too.
I will answer their questions. My
friend will enjoy talking about their
favorite things.

Sometimes it is hard for me to talk about
other things. That is okay.

My friends like to talk about their
favorite things too.

Sometimes when I don’t get to talk
about my favorite things, I get upset.
It is okay to feel upset.

I can take some deep breaths or ask
to take a walk to calm down.
