I love my _____________ very much. She loves me and takes good care of me.

Right now, she is sick.

She may spend more time in bed. She may not be able to do my favorite things with me right now. She still loves me!

My _____________ may be tired.

She may have to go to the doctor a lot.

She may even have to go to the hospital. The doctors are taking good care of my ___________. I can do other things with my ___________ right now.
Sick Family Member (Female, Continued)

I can get in bed with her and read a book.

Or I can watch a movie with her in bed.

I can ask questions and tell people how I feel.

My ____________ loves me!

She is brave and fighting to get healthy. It is okay to be sad, but I can spend time with _______________ in different ways!

It may make me sad to see my _________ sick. It is okay to be sad or worried.

It will be okay!
