

# Staying safe on my bike

Riding my bike is fun!  
When I ride my bike, I need to  
follow the biking rules.  
This will help me to stay safe.

Here are my rules:

1. I need to always wear my helmet when I ride a bike.

2. If I am riding with other people, I stay near them.
3. If there is a sidewalk, I need to stay on the sidewalk.

4. Before I cross a street, I must always stop.
5. When I am stopped, I look for moving cars.

6. If a car is coming my way, I wait for it to drive by.
7. If no cars are coming, then I can cross the street.

I can have fun and stay safe on my bike!
