

# Substitute Teacher

Sometimes my teacher is not at school.  
When my teacher is not there,  
I have a substitute teacher.

My teacher might be sick.

My teacher might be on vacation.  
I do not need to worry about my teacher.

Having a substitute teacher  
is a change.

This may make me nervous.

That is okay.

I may not know the substitute teacher.  
The substitute teacher is there to help me.

Things may be different when I have a substitute.

# Substitute Teacher (Continued)

The rules of my classroom are the same.

I will listen to my substitute teacher.

I will get my work done.

My substitute teacher will be happy when I follow the rules.  
I will be polite to the substitute teacher.

My teacher will be back tomorrow.

I will be okay when I have a substitute teacher!
