

Temperature checks at Camp Royall

At Camp Royall my temperature will be taken 3 times a day.

A thermometer is used to make sure I don't have a fever.

My temperature will be taken in the morning.

My temperature will be taken at rest time.

My temperature will be taken at night.

Camp Royall has to take temperatures to make sure that everyone is healthy.

There are two ways to take my temperature.

1. The Infrared thermometer is held to my forehead to read my temperature.

2. Or, the ear thermometer is placed just a little inside my ear to read my temperature.

These two ways do not hurt me.

Everyone is proud of me for getting my temperature taken.
