

# Wearing masks at Camp Royall

Sometimes, I will have to wear a mask at Camp Royall.

I don't have to wear it all of the time.  
I will only have to wear a mask for a short time.

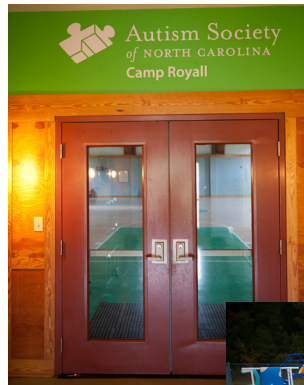

I will put on my mask if Camp Royall staff tells me to put on a mask.

They will help me put it on if I need help.  
Person helping put on a mask.

I might need to wear a mask if I am in a crowded space at camp.

I might need to wear a mask when my group is close to the other groups of campers in the gym, playground or outside of the swimming pool.

I will take my mask off when Camp Royall staff tells me that it is ok to take it off.

We wear masks so we don't spread our germs close to others.

Wearing a mask will be ok!
