

Working with a Group

I work hard in school.

Sometimes I work by myself.
Sometimes I work with my whole class.

Sometimes I work with a group.

My teacher may tell me
who I need to work with.

Sometimes I can pick a group.

If I want to work with a group,
I can say “Can I be in your group?”

If the group says no,
I will say “okay.”

Working with a Group (Continued)

If my group says yes,
I will sit at their table with them.

I will talk quietly with my group.

My group may have the same ideas as me.

My group may have different ideas than me.

It is okay if my group
has different ideas.

If I get upset when
working with my group,
I can take a break.

I do not need to yell
or cry or _____.

Working with a Group (Continued)

I can take a deep breath
to calm down.

I can ask to take a walk
or get a drink of water.
Once I feel calm,
I can come back to my group.

My group will be happy if I am calm.
My teacher will be happy if I am calm.

I feel proud when I can work
with a group in class.
