

Gifts of Security Transfer Instructions

Thank you for your interest in making a charitable gift in the form of a Security Transfer. Please note that you must initiate all security donations with your broker; please consult your broker to ensure that the stock is eligible for electronic delivery over the Deposit Trust Company (DTC) system. (This is the fastest, most secure, and most cost-effective method of donating securities.)

Acknowledgment will be made in compliance with IRS regulation. Please consult with your tax adviser before making a charitable donation to any charity.

Please complete (or request that your broker complete) the information below to help ensure that your gift is processed accurately. Once you've made a transfer, please contact Kristy White at 919-865-5086 or kwhite@autismsociety-nc.org to inform the Autism Society of North Carolina of the proposed donation and to ensure that you receive a prompt receipt of your gift for your tax records.
